**EPA will issue a
A Corrective Measures Decision
at the
Anderson Redevelopment Commission
Scatterfield Road Facility
Anderson, Indiana**

Public Comment Period: April 8 – May 23, 2013

The U.S. Environmental Protection Agency is proposing corrective environmental action on a portion of the Anderson Redevelopment Commission Scatterfield Road Facility, formerly known as Delphi Energy & Engine management Systems, 2900 South Scatterfield Road, Anderson, Indiana. The proposed decision provides for repairing an in-ground containment system for soil contaminated by a former degreaser, and for in-place treatment to destroy the contamination. Groundwater (underground water supplies) between the former degreaser area and off-site of the property will be monitored to ensure contamination levels decrease over time. EPA has determined that soil and groundwater contamination do not endanger human health.

EPA has scheduled a 45 day **public comment period** starting on April 8, 2013 ending at midnight May 23. To receive comments on the proposed actions. During this public comment period, EPA will accept written comments on the proposed determination and if requested will evaluate a public meeting.

Please forward your comments to **Don Heller** at heller.donald@epa.gov, or mail to U.S. EPA, Region 5, Remediation and Reuse Branch (LU-9J), 77 West Jackson Boulevard, Chicago, IL 60604.

EPA will review public comments received and will summarize responses in a Response to Comments document. The Response to Comments document will be drafted after the conclusion of the public comment period and will be incorporated into the administrative record.

For **questions**, please call 312-353-1248. Copies of the **relevant documents** and the Statement of Basis that outline the corrective actions are available for public inspection and copying during normal business hours at the Anderson Public Library, 111 East 12th Street, Anderson. Or visit the EPA Website at <http://epa.gov/region5/cleanup/rcra/arc/index.html> to review the documents regarding this proposal.
